

Did you see *Me and My Girl* or one of the other *Greeley Theatre Company* productions last year? If you did, then you realize how lucky we are to be able to offer high school students the opportunity to be a part of an outstanding theatre experience. **What you may not know is that Greeley Theatre receives limited school budget funding to build the sets, design and produce the costumes or purchase much of the materials like sound and lighting equipment.**

Without these, theatre at Greeley wouldn't happen.
